

WE NOW HAVE SUNDAY PICK UP FROM BOARDING!!!

As a courtesy to our clients, we are now offering Sunday pick up. This is a different situation than regular boarding pick up and requires different protocol. Please carefully read the following:

Pick up is on Sunday from 5:00 to 6:00 p.m. **ONLY**

- You must go to the back door and knock. This is the door at the far end of the building, all the way to the back of the parking lot near the dumpsters. Please allow time for someone to come let you in as they are taking care of the hospitalized patients.
- This pick-up must be prearranged. We have to know you are planning to come on Sunday when you drop your pet off for boarding.

There will be a charge for the pets going home on Sunday. It will be half of a normal day of boarding.

Any pet scheduled for a bath will receive it on the Friday before pick-up.
